

ATCA Highest Scoring Novice A Airedale

The ATCA Obedience/Rally Committee encourages all Airedale owners to show at rally & obedience trials. There are no High Score awards recognized at rally trials.

For the past few years we have recognized the Novice A Airedale with the most First & Foremost points as printed in the Front & Finish Magazine. Points are based on scores earned from the Novice A class. The higher the qualifying score the more points earned. The qualifying period for this award is January 1-December 31.

We encourage these owners to become members of the ATCA and to continue training their Airedale for more advanced rally and obedience titles.
