MEASURING and HEIGHT CARD INFORMATION

Dogs without a valid Jump Height Card/Form may compete, but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that set of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the responsibility of all exhibitors to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

DOGS ELIGIBLE TO ENTER

This trial is open to all AKC Terrier Group dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing or Indefinite Listing Privileges (PAL/ILP).

Wherever the word "dog" is used in this premium it includes both sexes.

Puppies under FOUR months of age are strictly prohibited from the trial grounds.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place **indoors** on a **sprint turf** surface. Ring size will be 100 x 100.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The **MTAC sponsors, Scores-N-More, and In The Net Sports Complex** and its agents, employees, etc., assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assume no responsibility for injury to children. The **MTAC** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the **MTAC** or any official thereof.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, a refund will be awarded, less \$5 per run per day processing fee for bitches unable to compete for this reason upon presentation of a veterinarian certificate. This certificate must be presented to the Trial Secretary prior to the start of judging on the first day of the trial or cluster of trials. This is a Cluster policy, not a Scores-N-More policy.

RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Clubs have no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

Breed Village Competition

This facility has plenty of crating space. Many like to crate with other owners of the same breed. To encourage breed spirit, there will be a "breed village" competition.

Each participating breed will have a designated area for crating which will be their "village" (size based upon breed entry numbers). Three judges have been selected to provide impartial judging as to the "best village." Each village will be provided with a table. For those not participating in a village, there is plenty of "rural" area available for crating.

The 2018 Montgomery Terrier Agility Cluster Breed Village Competition is a western theme:

"Get Along, Little Dogies"

This theme is to be used by all breeds who wish to be judged for the Village Competition.

THIS YEAR'S CATEGORIES INCLUDE:

- Overall Winner among Breed Clubs
- Most Breed Spirit
- Best Use of Theme
- Best Small Group

RULES AND INSTRUCTIONS:
